A photograph of two industrial workers in a factory. One worker in a blue shirt is in the foreground, and another in a dark blue shirt is in the background, both working on machinery. The image is partially obscured by large, stylized geometric shapes: a white triangle on the left and a teal triangle at the bottom center, both pointing towards the right. The background of the right side of the slide features abstract, flowing light blue and white patterns.

The background of the slide features a collage of images. On the left, a hand is shown writing on a document with a black pen. The document has some text and a table-like structure. Overlaid on this and the rest of the slide are large, semi-transparent geometric shapes: a dark teal triangle on the bottom left, a light blue triangle on the top left, and a large light blue shape on the right side with white curved lines. The title 'Job Card' is written in a bold, black, sans-serif font in the upper right area.

Job Card

Job Card Entry

The screenshot shows a web application interface for 'Job Card Entry'. The form is titled 'Create Job Card' and includes a 'Save Job Card' button. The form fields are organized into sections: 'Job Details' (Job ID, Job Name, Job Type, Job Status, Job Category, Job Sub-Category, Job Location, Job Date, Job Time), 'Job Description' (Job Description, Job Notes), and 'Job History' (Job History Table). The 'Job History' table has columns for 'Job ID', 'Job Name', 'Job Type', 'Job Status', and 'Job Category'. The 'Job Details' section includes a 'Job ID' field with a value of '123456789', a 'Job Name' field with a value of 'Job Name', a 'Job Type' field with a value of 'Job Type', a 'Job Status' field with a value of 'Job Status', a 'Job Category' field with a value of 'Job Category', a 'Job Sub-Category' field with a value of 'Job Sub-Category', a 'Job Location' field with a value of 'Job Location', a 'Job Date' field with a value of 'Job Date', and a 'Job Time' field with a value of 'Job Time'. The 'Job Description' section includes a 'Job Description' field with a value of 'Job Description' and a 'Job Notes' field with a value of 'Job Notes'. The 'Job History' table has a header row with columns for 'Job ID', 'Job Name', 'Job Type', 'Job Status', and 'Job Category'. The table contains one data row with values: '123456789', 'Job Name', 'Job Type', 'Job Status', and 'Job Category'. At the bottom of the form, there are buttons for 'Save Job Card', 'Cancel', and 'Refresh'.

Money Receipt Entry

The screenshot shows a software interface for entering a money receipt. The title bar at the top is dark teal with the text "Money Receipt Entry" in white. Below the title bar is a dark grey header area containing a search bar on the left and several icons on the right. The main content area has a light grey background with a grid pattern. On the left side of the grid, there is a vertical sidebar with icons for home, add, edit, view, and a list view. The form itself is located in the center-right of the grid and consists of several input fields and buttons. The fields are labeled with "Date Received", "Received By", "Received From", "Receipt Type", and "Receipt No.". The "Received By" field has a dropdown menu with "Cash" selected. The "Received From" field has a dropdown menu with "Cash" selected. The "Receipt Type" field has a dropdown menu with "Cash Receipt" selected. The "Receipt No." field has a dropdown menu with "12345" selected. At the bottom of the form, there are two buttons: "Save" and "Cancel".

Receipt Invoice Adjustment

The screenshot shows a software interface with a sidebar on the left and a main content area. The sidebar contains a green icon at the top and several other icons below it. The main content area displays a form titled "Receipt Invoice Adjustment". The form has a header section with "Receipt" and "Invoice" tabs. Below the header, there are several input fields and checkboxes. The "Receipt" tab is selected, and the "Invoice" tab is also visible. The form includes fields for "Receipt No.", "Invoice No.", "Receipt Date", and "Invoice Date". There are also checkboxes for "Receipt Status" and "Invoice Status". The "Receipt Status" section has a list of options: "Open", "Closed", "On Hold", "On Hold (Closed)", "On Hold (Closed - Pending)", and "On Hold (Closed - Pending)". The "Invoice Status" section has a list of options: "Open", "Closed", "On Hold", "On Hold (Closed)", "On Hold (Closed - Pending)", and "On Hold (Closed - Pending)". The form also includes a "Receipt Amount" field and an "Invoice Amount" field. At the bottom of the form, there are buttons for "Save", "Cancel", and "Print".

Tyre Report (By Machine)

The screenshot shows the 'New Report' form in the 'New Report' window. The form is divided into three main sections: 'Type Report', 'Filter Report', and 'Ready to Run'. The 'Type Report' section has a 'Report Type' dropdown menu. The 'Filter Report' section has checkboxes for 'Time' and 'Date'. The 'Ready to Run' section has a 'Run' button and a 'Cancel' button. Below the form is a table with columns for 'Time', 'Date', and 'Run'.

Time	Date	Run
00:00	01/01/2020	Run
01:00	01/01/2020	Run
02:00	01/01/2020	Run
03:00	01/01/2020	Run
04:00	01/01/2020	Run
05:00	01/01/2020	Run
06:00	01/01/2020	Run
07:00	01/01/2020	Run
08:00	01/01/2020	Run

| My Diary

My Diary Report

The screenshot displays the 'My Diary' application interface. At the top, there is a header bar with a green circular icon on the left and several utility icons (power, refresh, search, etc.) on the right. Below the header, the title 'Search My Diary' is visible. The main content area features a search bar and a list of diary entries. Each entry is represented by a colored card (yellow or orange) with a date, category, and text. The first entry is dated '2017-01-01' and the second is dated '2017-01-02'. The interface is dark-themed.
